About Me

Dedicated engineering student with a strong passion for the dynamic and evolving world of software engineering. Proficient in applying theoretical knowledge to practical solutions and eager to contribute innovative ideas to the software domain. Possesses a solid foundation in programming languages, software development methodologies, and problem-solving techniques. Recognized for exceptional teamwork, communication skills, and the ability to adapt to rapidly changing technologies. Seeking opportunities to leverage academic excellence and hands-on experience to drive impactful software projects and contribute to the advancement of the industry. Ready to embark on a fulfilling journey of growth and exploration in the software engineering field.

Education:

- **MKSSS's Cummins College of Engineering for Women, Pune (2021-2024)**

  B. Tech in Electronics and Telecommunication Engineering (pursuing Final Year)

  CGPA :- 8.65

Experience:

- Intern at DRDO (Defence Research and Development Organization)
  July 2024 – December 2024

Skills:

- Software proficiency

- App development

- Website development

- Java, Python, DBMS, SQL ,CNS

- Software automation

ANUSHKA VIGHE

About Me

In addition to my technical prowess, I recognize the value of clear communication and empathy. I understand that software development is not just about lines of code; it's about crafting solutions that resonate with users and solve real-world problems. I take pride in translating complex technical concepts into user-friendly interfaces that enhance the overall experience.

Education:

- **MKSSS's Cummins College of Engineering for Women, Pune (2021-2024)**

  B. Tech in Electronics and Telecommunication Engineering (pursuing Final Year)

  CGPA :- 8.7

Experience:

- Intern at DRDO (Defence Research and Development Organization)
  July 2024 – December 2024

Skills:

- Programming Languages: Proficiency in one or more programming languages

- Problem-Solving

- Algorithms and Data Structures

- Web Development

- Back-End Development

- Testing and Debugging

- Communication Skills

- Soft Skills: Teamwork, adaptability, time management

- Java, Python, DBMS, SQL ,CNS

PRANITA PRAMOD MOHITE

869 Guruwar Peth, Opp. Expo Agency, Pune- 411042.

About Me

As a student, I am seeking a role which allows me to continue learning and perfecting my skills as I provide high quality work, and encourages me to flourish as an engineer.

Education:

- **MKSSS's Cummins College of Engineering for Women, Pune (2021-2024)**

  B. Tech in Electronics and Telecommunication Engineering (Pursuing Final Year)

  With Honors Degree course in VLSI

  CGPA :- 8.0

Experience:

- Intern at DRDO (Defence Research and Development Organization)
  July 2024 – December 2024

Skills:

- Basic Java Programming

- Object Oriented Programming

- Python Programming and Machine Learning

- Good technical knowledge in electronic areas like:- Digital electronics, IoT

- Strong analytical and problem-solving abilities

- Excellent teamwork and communication skills

- Quick learner and adaptable to new technologies

Publications:

- Bomb Detecting Bot Research Paper
